## THE RESURRECTION FLAME

May 1953, *Bridge to Freedom Journal 1*, Pages 169-170

The Resurrection Flame was first drawn into the atmosphere of the planet Earth by the great Krishna, who, seeing the shadow of human thought and feeling taking form in the consciousness of man, knew that the fruit of that seed would be disease, disintegration and decay, and knew, further, that some means of restoration of these fallen sons of God would have to be provided for, if they desired to return to their natural God-estate.

When a great being applies to the heart of creation for the privilege and honor of ensouling some God quality with his individual life intelligence, he must vow to remain the guardian presence of that flame, renouncing his freedom and joyous release into the higher realms, until some volunteer spirit from the race he serves chooses to relieve him of his trust and become that guardian presence in his place and stead. Thus, it is not lightly that great beings apply for voluntary exile from the peace of celestial glory, to guard and sustain a focus of light and power which can be drawn upon by mankind in their hour of need, especially when, for countless centuries of time, not one applicant from the race even applies for the beneficent radiation of that flame or shows a passing interest in its presence and in the gift which it brings to free life.

However, through the centuries, the great Maha Chohans of each age have availed themselves of the tremendous power of the Resurrection Flame, in bringing the kingdom of nature to new life each springtime, and the builders of form have utilized the powers of the Resurrection Flame in creating new temples or bodies, for the evolving souls of mankind.

In rare instances, those who had renounced the heritage of death and decay as the "natural estate" of humankind, were drawn into the vicinity of the Resurrection Temple and were taught how to draw that flame through their inner bodies and their flesh structure as well, and these elect became the Brothers and Sisters of the Resurrection.

Many of these devotees went forth and established foci of the Resurrection Flame in remote, inaccessible places. The few seekers of the race, with sufficient desire for redemption in their hearts, were drawn to these sanctified locations and, when they persevered in the use of this flame, found their bodies restored, their minds illumined and their consciousness prepared to be lightbearers, themselves. These people were able to maintain life in the physical body for centuries and the records of their achievements are found in many of the archives of great civilizations of the past.

The beloved Master Jesus and his mother, Mary, applied to the great Father of Light for the privilege and opportunity of relieving the previous guardian spirit of the Resurrection Flame, offering to take his place and to remain as its guardians, until some other sons and daughters of earth might find it within their own heart's light to assume this wondrous service.

In order to be vested with the power and authority of guarding a cosmic flame, the presence of which is essential to the redemption and freedom of an evolution, the spiritual being making the application must draw that flame, in its fullness, through his own bodies. The Master Jesus offered to render this service at the close of his mission in Judea.

With the help of the present Maha Chohan, whose cosmic service and momentum are builded into the full power of the Resurrection Flame, through the kingdoms of nature, Jesus was enabled to demonstrate the power within that flame in restoring the body to life and the spirit to immortality. He was then vested, by Cosmic Law, with the power and authority, together with the beloved Mary, his mother, to guard and sustain the Resurrection Flame from within this temple, where they render this service to the present day.

## **TO THE COSMIC SPIRIT OF RESURRECTION AND TO THE BELOVED MASTER JESUS**

April 1957 - *BTFJ* 3, Pages 255 - 258

We send gratitude, blessings, and praise this Holy Season for the magnificent gift that lies within all life to restore, resuscitate, and resurrect the divine pattern through the seemingly lifeless or decadent form. We send that same gratitude, blessing, and praise for proving to mankind that such a power does exist within life. In his ministry, he called forth boldly, in the name of God, the perfect expression of life from all who came to him in faith and asked for such resuscitation.

We bless the beloved mother of Jesus for her tremendous assistance to him during his ministry. We thank the brother and sisters of the Resurrection Temple who, under the direction of the Archangel Gabriel, assist in directing the life-giving, renewing, resurrecting power into the lives of those who, in faith, ask for such assistance.

We bless our Lord Maha Chohan who, through the nature kingdom, gives the proof of the power of resurrection in each recurrent Springtime.

It is our decree that mankind, accepting the resurrection in name and rejoicing in each Springtime, shall take this lesson personally and apply it to the resurrection of their own divine natures here and now!

Thus, shall it be! A resurrected Earth, with all its attendant evolutions, joining in the music of the spheres and emitting light, love, beauty, harmony, and praise into the universe, of which the Earth is presently a part. Let this Easter be your Resurrection Day!

THE RESURRECTION TEMPLE OVER THE HOLY LAND

April 15<sup>th</sup> through May 14<sup>th</sup>, 1957  
(March 15<sup>th</sup> through April 14<sup>th</sup> this year, editor)

The blazing focus of the Resurrection Temple radiates forth its resuscitating power from the etheric realm over the Holy Land, where the beloved Master Jesus lived and proved the power of the resurrection at the beginning of the Christian Dispensation.

This temple is created of substance which resembles "mother of pearl". The presiding beings who magnetize and radiate this resurrection power are beloved Jesus and his mother, beloved Mary. The purpose of this focus is to continue to pour into the emotional, mental, etheric, and physical consciousnesses of all the evolutions belonging to the planet Earth the reality of the actual power of resurrection that lies within life itself.

To resurrect means to "bring to life again" that which is seemingly dead. Mankind are witness to this resurrection through the nature kingdom in each Springtime. It is the decree of the Holy Ones who guard the Resurrection Flame that mankind shall also "tune in" to this Resurrection Flame and consciously resurrect the perfection which lies dormant in most human beings.

As the Spring sunshine stirs the dormant life within the nature kingdom, our Lord Maha Chohan sends forth the pulsation of the Resurrection Flame through the Earth, and obedient life responds, literally "rising from the dead" in the miracle of Spring.

THE BELOVED MASTER JESUS ENDEAVORED TO SHOW MANKIND THAT WHAT NATURE CAN DO, MAN ALSO CAN DO! HE, THEREFORE, SUBMITTED HIS HOLY, UNDEFILED PHYSICAL BODY TO SO-CALLED "DEATH" AND THEN, THROUGH THE INVOCATION OF THIS RESURRECTION FLAME, HE BROUGHT LIFE BACK INTO THAT

SAME BODY AS AN EXAMPLE TO ALL MANKIND THAT WHAT CAN BE DONE BY A FLOWER, A SHRUB, OR A TREE CAN ALSO BE DONE BY MEMBERS OF THE HUMAN RACE.

Mankind, for the most part, have accepted the resurrection of Jesus as a "miracle" *only possible for him* and have not availed themselves of the use of the Resurrection Flame to restore their own vehicles to perfection, rather submitting to disease, disintegration, decay, and finally, so-called "death". However, to keep alive the feeling of the power of resurrection in the consciousness of unascended mankind, beloved Jesus and Mother Mary now continuously send *forth* into the atmosphere of Earth that victorious radiation from this temple which is the focus for the activities of the Great White Brotherhood during this thirty-day period.

Individuals sincerely desiring to overcome disease, old age, disintegration, and decay are drawn in consciousness toward the Resurrection temple while their physical bodies sleep, *by the magnetic power of their own desire to accomplish that which Jesus did*. This temple is particularly beautiful, for it is the focus of the directors of the forces of nature and the lovely elementals representing the four kingdoms – fire, air, water, and earth – play in the atmosphere and aura of this temple at all times. The radiation of the Resurrection Temple is like a glorious rainbow of colors and the visitation to it by those God Beings interested in developing the capacity to resurrect the divine plan on the Earth add to its great beauty and light.

The Resurrection Temple is circular in design. It is composed of seven circular corridors around the central altar where the Resurrection Flame rises. As this Resurrection Flame radiates its buoyant, uplifting, life-giving, resuscitation power through the seven corridors, beautiful beings in each of these amplify it power, and direct it to all life upon the particular ray which they serve. Visitors to the Resurrection Temple enter the corridor where the radiation of its flame has an affinity to their own and the potential expression of divinity. Here they are charged with renewed hope and spiritual vitality and are made *consciously aware* of the truth of "life everlasting".

Great teachers from the Ascended Masters Realm often discourse with unascended beings in these corridors (drawn to them there in consciousness while the physical body sleeps) helping them to accept in their feelings the power and practical use of the Resurrection Flame, in the hope that, when they return to the outer world, they will carry sufficient conviction of the power of resurrection into their own spheres of influence.

Like all talents and virtues, there can be an inversion of the use of the power of resurrection. Man uses it often in resurrecting memories of an unpleasant nature and experiences long since past away, which should be completely forgiven and forgotten, thus causing distress to himself and others. In the Resurrection Temple, man is taught to use the power of resurrection only to bring to life the divine plan for himself and those whom he is privileged to influence.

Jesus' statement: "I AM the resurrection and the life", like many other statements of the immortals repeated by mankind is not completed. "I AM the resurrection and the life of perfection" is *the completed* statement.

Enter into the Resurrection Temple at least once in every twenty-four hours; bathe in its flame; practice the use of the resurrection power that is within your own life to restore to you the perfection of being which you knew with the Father before the world was! This is the invitation of the Ascended Host to all mankind during this Holy Easter Season. Accept it! Use it! Feel the resurrecting power of divinity (presently quiescent within you) stir into action, and then, allow it to flow through all your inner vehicles, your physical body, your aura, and into the world in which you presently abide. Thus, do you become a Resurrection Temple in yourself.

Ascended Master Kuthumi introduced the beloved Spirit of the Resurrection Flame to those gathered for the Transmission Flame Service in 1955. His comment after her address was, "I believe this is the first time in the history of the Transmission Flame Activity that the *spirit of the flame* (editor's emphasis) has spoken." Here are her blessed words to us!

**THE BELOVED SPIRIT OF RESURRECTION speaks:**

April 3, 1955 – *Bulletin Book 1*, Pages 306-308

I AM the Cosmic Spirit of Resurrection, servant of the Most High Living God, come tonight from the heart of the Universal.

Why does no mankind command me? Why does not mankind seek me? Why am I not welcome within the breast of the human race – when the smallest blossom, the tiniest seed, the smallest bulb, invokes me, draws me into its bosom, bursts its bonds, and becomes a magnificent, fragrant, and flowerful manifestation of the glory of God?

I have been sent from the House of the Lord to a recalcitrant race, in which death, disintegration, disease, and decay are written across the bodies that should be immortal, shining, and blazing like the Sun – who has welcomed me? The daffodil, the crocus, and the early forsythia! Wherefore, man, are thy non-mastery and thy inhospitality!

I AM the Cosmic Spirit of Resurrection, the hope of Eternal Life and Light, invoked in the tomb of Jesus and, blazing through his transfigured flesh, drew him into immortality. I am the Cosmic Spirit of Resurrection blazing through the nature kingdom! Wherefore, man, is thy inhospitality to me!

Command ye me, oh mankind of this Earth! Why linger longer in decay! Why linger longer in those bonds of disintegration! I AM speaking to your hearts! What seek ye, man? Hope! Wealth! Illumination! Peace! Purity! Beauty! God Supply! You had it all once! Within your life it dwells – dormant true – but I AM that spark, which, kindled with your life essence, can resurrect for you the immortality that you once knew!

Come ye back from the dead, oh man, and grasp my hand in love and light! Let me enter into your imprisoned consciousness, which you hug so tightly that it becomes a repellent force to all that would set you free! O, burst asunder, man, and let the flames WE represent – and which are intelligent, conscious life – enter in, mingle with your life essence, and set you free! You, the tinder, we the cosmic spark of life – and yet, we stand with hands folded, with eyes downcast, with no summons and no purpose, although servants of man and servants of God!

Think not that the flame is an intangible and senseless ephemeral dream! Every flame is an embodied consciousness of light and life, RUSHING FORTH to serve!

I AM the Cosmic Flame, the Spirit of Resurrection, charging through, charging through, charging through that shell of unbelief, that shell of non-acceptance, that shell of lethargy!

I AM willing myself into your hearts, and where my flame meets your heart flame, resurrection of divinity occurs. Because you have had sight once, and hearing, and intelligence, and youth once, there is hope; because I AM the resurrecting power bringing back that which was given you of God! Oh, when God gives once, remember, he never takes it away! It is you who have temporarily pushed your gift aside.

Oh, mankind – everyone, everywhere – while the Spirit of Resurrection is honored during this holy Easter season and while this retreat, in which my flame stands visible, is active, I AM going to knock upon the door of your consciousness and knock and knock ceaselessly, day and night, until you let me in.

In the darkness of the night, you will hear my voice calling –

I AM THE SPIRIT OF RESURRECTION, *calling you from death to life!* LET ME IN! LET ME IN! LET ME IN!

So, during this Springtime, the Holy Easter Season of birth, growth, and renewal, read her entreaty every day, breathe her in, draw her into your hearts, and become the “flowerful manifestation of the glory of God” that you are meant to be! She is calling to you!

## Two decrees that reflect the Spirit of the Resurrection Flame.

1. I AM the Resurrection and the life of perfection! *BTFJ 3*, Page 257
2. **Resurrection Flame Decree**, *AMTF Songs and Decrees*, Page 8

Beloved Mighty Victorious Presence of God, I AM, thou beloved immortal Threefold Flame of Eternal Truth within my beating heart, I call on the Holy Christ Selves of all mankind and the beloved Ascended Masters Jesus and Mother Mary,

Sweep the Flame of Resurrection through all my world today,  
Let its joyous, raising Presence ever with me stay!  
Sweep it through me constantly, renewing every part,  
Fulfilling all God's perfect plan that's held within my heart!  
Surge the Resurrection Flame through everything in me,  
Let it now reveal the full perfection I should be.  
Let it make me young and lovely, healthy, too and wise,  
Drawing forth God's power to bring sight to blinded eyes!  
Let me use its power on those who cannot hear,  
Let that hearing be restored, perfect, crystal clear.  
Let this Resurrection Flame bring balance to each mind  
That's lost its way, confused, amid the shadows of mankind.  
"I AM the resurrection and the life of all I need,"  
Whether that be manifest as money, word, or deed.  
In short, the Resurrection Flame is God's great gift to me!  
Oh, Holy Christ Self, help me use it, setting all Earth free!
