## **THE GUARDIANS OF THE TEMPLE OF TRUTH**

### **The Temple of Truth**

The Temple of Cosmic Truth is located in the ethers over the Island of Crete. Its architecture is similar to that of the Parthenon, of ancient Athens, Greece. It is the home of the Brotherhood of Truth. Archangel Raphael, Pallas Athena (Goddess of Truth), Hilarion (Chohan of the Fifth Ray) and all Avatars (such as Jesus) use this temple as a focus.

The God-virtues of truth, concentration, consecration, scientific development and healing, are the basic activities of the Fifth Ray. However, the services of beloved Pallas Athena, Archangel Raphael, Hilarion and the Brothers and Sisters of the Fifth Ray, extend beyond the basic functions of this ray. They direct concentrated rays, green in color, to those individuals on Earth who are consecrated and dedicated to teaching and manifesting truth along ANY of the seven rays. These are individuals who are performing or who are to perform a major beneficial service to mankind, along ANY of the God-virtues of the seven rays.

### **The Coming Avatar**

At the beginning of every 2000 year-cycle, the Cosmic Law allows the embodiment of an Avatar. Who is an Avatar? An Avatar is a being, who, like the Master Jesus, has worked out his karma prior to his embodiment as an Avatar. The Seventh Cycle started on May 1, 1954, when Saint Germain was crowned as the representative of the Earth's last 2000-year cycle. The Avatar has been ready to embody for some time. Therefore, preparations need to be made for the coming of the new Avatar. This is a long-term project. It must take into consideration the rigid requirements of the Cosmic Law, which demands that the efforts of the Ascended Host must be balanced by an equal effort of the chelas.

### **The Incoming Sixth and Seventh Root Races**

The Masters explained that there are seven rootraces. The first three rootraces did gain their ascension. The members of the Fourth and Fifth Rootraces are still embodied on Earth. The members of the Sixth and Seventh Rootraces could not gain embodiment because of the slow spiritual development of the Fourth and Fifth Rootraces. In order to make room for these rootraces and to accelerate the evolution to the planet, bringing it closer to our physical Sun, the Hierarchy of Earth created a new planet. There will be a division of mankind (See "Man, His Origin, History and Destiny.") Those who refuse to accelerate their spiritual development (this includes students of the Ascended Masters who do not apply the teachings to the best of their ability, in their daily lives), will find hospitably on this new planet, created for the laggards of today.

Prior to the next step, bringing Earth in closer proximity of the Sun, the axis of the Earth must be straightened and the ice caps need to be melted.

## DISPENSATIONS

Approximately every 100 years, the Cosmic Law extends a cosmic stockpile of energy to the Great White Brotherhood. This energy is used by the Masters to present, to mankind, new information, as part of a new dispensation. The "I AM Activity" and the "Bridge to Freedom" are examples of such dispensations. Both groups initially had great success. However, after the ascension of their authorized messengers, a disappointing pattern developed – the original message was no longer made available to the general public.

According to the Ascended Host, typically it has been that way. As soon as the original messenger has concluded his mission, the successor(s), not having the original vision in mind, distort the original message. The Masters cautioned the students of the "Bridge to Freedom" to keep a watchful eye, so that the material, as originally presented by them, would not be distorted by certain individuals or groups under the disguise of "presenting something new." To stop this effort requires the constant vigilance of the true chelas of the Ascended Host plus daily invocation to protect the original vision of the Great Ones, as given to the founders of the "Bridge to Freedom."

On this subject the Maha Chohan stated ("The Bridge," November 1956):

"As I have said repeatedly, the founder of any great world religion brings truth. However, the followers of that religion weave into it their OWN concepts, ideas, patterns and methods of worship. Thus, the PURITY of the original teaching is often lost, through the earnest, sincere, but often misguided followers of the original world religion."

Master Hilarion added, ("The Bridge," July 1954):

"At Crete, we are host to the great teachers and leaders who have come forth in every era and who have brought truth, unsullied, from the heart of God. When they leave the body, their well-meaning followers immediately weave that truth into the pattern and plan of their own concepts. Usually, within 100 years, they have completely distorted it, so that it is nowhere near the original truth which the individual founder left as the heritage for mankind."

## THE ASCENDED MASTER TEACHING FOUNDATION

The AMTF was founded with the sole motivation to preserve, re-publish and expand the original teachings of the Bridge to Freedom, in their pure, unadulterated form. The Ascended Host had called this teaching "THE BIBLE FOR THE NEW AGE, WRITTEN FOR GENERATIONS YET TO COME."

Through the effort of two volunteers, who functioned as an unpaid staff, using their own funds, this goal has been successfully completed. **Without this effort, the original teachings of the Bridge to Freedom would have fallen into oblivion.**

It is noteworthy that, so far, over 70 individuals, who consider themselves channels, attempted to steer the AMTF away from its self-chosen course. **However, none of these individuals seized the opportunity to assist in the effort to preserve, fund, re-publish and distribute the original dictations given by the Ascended Host, through Geraldine Innocente.** Would a genuine messenger of the Ascended Host not have offered help? Actions speak louder than words.

The Lamp of Truth was chosen as the emblem of the AMTF, to signify the relentless search for truth, which is the vow and pledge taken by all members of the Brotherhood of Truth at Crete. Geraldine Innocente and Alice Schutz, the individual who introduced and guided the founding members of the AMTF to this teaching, were embodied, several times, as oracles at Delphi. The AMTF believes that a quest for truth should be the cornerstone of all religious teachings. Thus, the Lamp of Truth appears on all its publications.

The founders of the AMTF traveled thousands of miles to interview several individuals who were members of the original Board of Directors of the Bridge to Freedom. Also interviews with Alice Schutz, who at one time was the Secretary of Miss Innocente and William Cassiere, a messenger appointed by Saint Germain, to work with Mr. Ballard, were helpful. Mr. Cassiere had, for a time lived in the home of Mr. and Mrs. Ballard. Thus, the original vision and the plan of the Masters for the "Bridge to Freedom" was rediscovered, and preserved by incorporating it in the goals of the AMTF.

It was decided that the plan of the Ascended Host, as received by Geraldine Innocente, could best be realized by proceeding as follows::

1) Gathering of the original dictations. In 1979 it was estimated that only four individuals had a complete set of the original material channeled through Geraldine and these individuals refused to share their material. It took about 25,000 miles of travel and 10 years time to complete this task. At one time, a trip from Mt. Shasta to Switzerland was necessary to obtain the access to photocopy the book "Memories of Mother Mary."

2) Preparation of new book manuscripts, printing and publishing the original texts. The newly published AMTF books contain volumes with dictations arranged according to date and volumes containing text, arranged according to subject. Such an edition makes it easier for students and group leaders to concentrate on a single subject. The title "21 Essential Lessons," contains a complete study program to help the student on his path to the ascension. The goal of re-publishing the original "Bridge to Freedom" material was reached in 1990.

3) Translation of the original text into other major languages. So far (2008) 20 AMTF-books have been translated and published, into German. The task of translating and publishing the original texts of the "Bridge to Freedom" into Spanish was undertaken by "Grupo Serapis Bey," located in Panama.

4) Establishing Ascended Master Teaching Groups. These groups have the dual task of enriching the knowledge of the student about God's laws, and returning the energy of the Ascended Masters, spent in their previous dictations, in the form of decrees, visualizations and songs.

It is an honor and a privilege to present the original teachings of the "Bridge to Freedom" to the students of today.

## MEMBERSHIP IN THE AMTF

If given loving attention, and guarded well, Saint Germain's efforts will prosper. Sincere, committed chelas are invited to bring the plans of the Ascended Masters to fruition. The plan is to bring together people, who are committed to study and apply the original teachings of the "Bridge to Freedom," without mixing them with other teachings, and who wish to **actively participate** in this **holy mission**.

Membership in the AMTF is offered to those individuals who by their previous action, and not so much by words, have demonstrated that they are committed to apply the original teachings of the Bridge to Freedom in their daily lives.

Minimum requirements are:

Members are required to sever all affiliations with other religious groups (this requirement is waived for countries having no distinct separation of Church and State). They should not consider themselves as channels or be followers of present-day channels.

Membership dues are \$20 per year for all members located in the United States, Canada and Mexico. They are 14 Euro for all members located in Europe. (**new item**). Dues are payable on December 1 of each year. We are asking that dues are paid for 2 years in advance when renewing. (*Dues are paid for one year when joining*) *If you receive your newsletter by regular mail, your expiration date is on the envelope beside your name. If you receive your newsletter by e-mail, you will receive an e-mail when it is time to renew.*

Members should, prior to applying for membership have a basic knowledge of the teachings. They should have read some of the AMTF-Books for a minimum of 6 months. This includes studying the booklets "21 Essential Lessons", lessons 1 through 7 and the book "Teachings for the New Golden Age".  
**(new item)**

Conduct: Members are expected to study the teachings contained in the AMTF-Literature and apply these teachings in their daily lives. Daily application should include some decreeing (See minimum daily application, "AMTF Songs and Decrees". They should join an existing AMTF-group or prepare to establish a group of their own. The title "21 Essential Lessons," contains a complete study program to help the student establish an AMTF-group.

Members committed to fulfill these requirements are offered a quarterly newsletter.

## **The Guardians of the Temple of Truth**

The Order of Guardians of the Temple of Truth was established in July 2001. Its mission consists in preserving the original teachings of the "Bridge to Freedom" in their original purity, making a determined effort in carrying this teaching from generation to generation.

Members of this spiritual order are AMTF-members, who in addition to the requirements of AMTF-membership

a) Participate in a monthly TFS (Transmission of the Flame Service).

b) Give some decrees during the time from Christmas Day to New Years Eve. The reason for this additional service is, that this is the time the Karmic Board makes decisions that have an effect on all of mankind. The Masters can collect this energy in the effort to obtain approval by the Cosmic Law of petitions prepared by the Ascended Host and their students.

AMTF-members, having an e-mail address, interested in joining the Guardians of the Temple of Truth are cordially invited to contact Joyce Ballard at [amtf@bellsouth.net](mailto:amtf@bellsouth.net) or mail inquiry to ~~P.O. Box 345, Ocean Springs, MS 39566.~~

## **Transmission of the Flame Service**

The remaining TFS Services for 2008 for regular AMTF-members will be held June 21, November 15 and December 20.

## **Additional Decrees**

For any members wishing to do additional decrees, we are including a few, some of which are not in the "AMTF Songs and Decrees". *These are only suggestions. None are a requirement, so use as you feel appropriate for your service.*
