

The Spiritual Caravan

Newsletter of the Ascended Master Teaching Foundation

June 2010

In light of current world economic conditions, we have thought to provide the words of the Ascended Masters on finances and precipitation, with the intent to inform, to uplift, and to offer suggestions that may be useful should the individual choose to embrace them.

THE GURU AND THE CHELA By the Ascended Master Kuthumi

CHELA—Beloved Master: Why is it that so many earnest spiritually-minded men and women suffer financial lack and physical distresses? Should not these men and women be among the manifest examples of opulence and health?

GURU—Beloved chela: Truly such individuals should be the manifest example of all that is beautiful, good, and perfect, not only for their own happiness, security and well being, but because such people represent us in the world of form. Those who rest smugly and complacently in their own willful pursuits of pleasure use just such an argument to discredit the earnest ones on the path. The words, “If thou be the Christ, come down from the cross,” have been echoed through the centuries, in one form or another by many spiritually sightless sons and daughters of men. One day, in the distant future, such a challenge will echo through their own consciousness as well!

To answer completely WHY such apparent contradictions between affirmed faith and works exist, would require a volume of written words. However, for the comfort of the dear ones who writhe self-consciously upon their respective crosses and feel self-condemnation for such affirmations of limitation, I shall enumerate a few reasons as follows:

FIRST— EACH MAN WHO SETS HIS FEET UPON THE SPIRITUAL PATH MUST BEGIN JUST WHERE HE IS, NOT WHERE HE WOULD LIKE TO BE. Profession of faith, offers of service, and acceptance of service, do not change the heritage of personal karma any more than application for a position in the world of form, and acceptance by the employer, change the qualifications of the applicant.

The Master, like the employer, accepts the candidate for service upon reasonable confirmation that a certain qualified momentum of talent is available for use in a given position. The master, like the employer, must rely upon the candidate, himself, to live up to his own greatest light, and then, through voluntary study and application, raise himself to greater efficacy in the endeavor at hand.

The candidate for spiritual knowledge is, by the very reason of his present interest in spiritual study, usually one who has devoted a goodly part of his energies, through the centuries, to developing spiritual powers, oftentimes to the neglect of his physical well being, as well as his financial security. The Law, being wholly impersonal, only releases through the consciousness that which is held in mind, thought and feelings. If man has not contemplated beauty, opulence, and the various gifts of plenty in this world, there is no mould, no form, no channel through which primal life may flow to externalize these gifts in his experience.

Thus such an one must learn to balance his abstract devotions with practical mastery of the creative process of molding out of thought beautiful designs, and energizing them with feeling, bringing them into form as ways and means of increasing the individual ability to serve the cause and the Master. Even in our octave, we must design and form that which we desire before it is precipitated into our hands and use.

SECOND—THE STUDENT UPON THE PATH IMMEDIATELY COMES UNDER AN ACCELERATED ACTION OF THE LAW OF CAUSE AND EFFECT. The energy returning to each one (which he has sent out in previous embodiments as causes of imperfect nature) must be returned to such an one to be purified, transmuted and returned to God in the same perfect expression with which it was received from him. Thus, such students have much more to “handle” as their energies return, than mankind at large, whose returning energies are held in abeyance, in mercy, until they learn the Law of Transmutation (The Violet Transmuting

Flame of Mercy and Compassion).

Otherwise, they would be overwhelmed by the karmic retribution and no spiritual advancement could be made in that Earth life. The Cosmic Law is that no soul can receive more destructive karma back into his experience in one life than his developed consciousness can transmute and master. Let all who read take heart thereby, for no student is allowed by the Karmic Board to receive into his experience any appearance which he cannot by his own light transmute at the very time it is received. Therefore, in the experiences of life, rejoice that the Law has felt your consciousness developed enough to receive calmly, and transmute perfectly, any shadows that appear, temporarily, upon the screen of your life.

THIRD—EVERY STUDENT IS A PART OF THE MASS KARMA OF THE RACE, THE NATION, THE PLANET, THE EVOLUTION TO WHICH HE BELONGS. The conscious students volunteer to accept the added service of dissolving much of this mass karma along with their own, even as Jesus assumed and transmuted much of the karma of the world through his experience at Calgary.

FOURTH—STRONG INDIVIDUALS, FURTHER, SOMETIMES VOLUNTEER, IN A COSMIC MOMENT, TO STAND AS A SPIRITUAL GUARD AROUND CERTAIN DEDICATED LIFESTREAMS. They screen out the directed energies, visible and invisible, that would seek to destroy the heart center of such movements. Thus, beloved Joseph and Mary assumed much karma acting as a guard around the sensitive energies of the pure consciousness of Jesus. Let no man look at another in judgment, for that one might well be working out the karma that would otherwise weigh heavily upon another soul.

FIFTH— THE SEEMING HAPPINESS, SECURITY AND WELL BEING OF THE INDIVIDUALS IN THE WORLD IS BUILDED ON GOOD ENDEAVORS IN THE PAST, TRUE, BUT IT HAS NO ASSURANCE OF PERMANENCE UNTIL THE CONSCIOUSNESS CAN CREATE AND SUSTAIN SUCH CONDITIONS AT WILL. Those born to great affluence or physical perfection have earned that luxury and perfection, but while it is an unconscious enjoyment born of no conscious knowledge of the Law of Precipitation, Healing and Peace, it is as fleeting as the sunshine that plays on the grateful man, but which at a passing cloud is gone, the man, unable to re-create the sun, being merely an unconscious receiver of a benefit enjoyed but fleetingly.

The individuals who have placed their feet upon the spiritual path will find no security, happiness nor permanent peace in being the unconscious recipients of the “gifts of Dame Fortune.” They must become conscious of the powers of creation in the mental body, the powers of animation in the feeling body, and the powers of externalization through the coupling of practical, dedicated, channeled physical energies through the flesh. Then no outer person, place, condition nor circumstance will affect their tranquility, security and peace. It is such training that oftentimes withholds temporary “surcease,” because the outer consciousness is so easily assuaged when it has received its desire and unless the Law, itself, is mastered, no further effort would be forthcoming by the individual until the gift so given was exhausted. Then the consciousness violently begins again the spasmodic endeavor to re-create a condition of ease in which to slumber on.

SIXTH— THE SOUL OF THE AVERAGE INDIVIDUAL SPENDS A GOOD HUNDRED TO ONE THOUSAND YEARS IN THE OCTAVES OF LIGHT BETWEEN EMBODIMENTS. This allows the individual to gather much reserve energy in the emotional and mental bodies to work out much accumulation of discord in the etheric body, and to return to Earth life “refreshed in spirit.”

Those who are engaged in the spiritual “push of the hour” have sacrificed this sojourn in the heavenly realms and its consequent reprieve from the vicissitudes of earthly experience, some of them re-embodiment within a year after laying down the previous earth garment, a few even abandoning one body before its dissolution and accepting another. This sacrifice often is apparent in seeming lack of physical energies, as well as nervous tensions. All of these factors are the results of conscious sacrifice upon the part of individuals who are looked upon by the very beneficiaries of their selflessness with scorn and question. Be unconcerned, for we were so treated before you. (*The Bridge to Freedom Journal 2*, p. 44 – 47)

Excerpts from *The "I AM" Discourses*
by Beloved Mighty Victory

Dear Ones, this mighty instruction of the "I AM" has not been the idle imagination of anyone! This is a great reality, which is going forth in the final effort to save mankind! I, for one, believe firmly that mankind is going to give the response that will make the victory forever complete! I know the human so often forgets, but try to keep this idea firmly in your consciousness, and if you do not do it otherwise, just make a little note of it, and place it in your room, where you can keep yourselves reminded.

Every call you make to your I AM Presence is a power released into your world, for your freedom, for your victory, for your ascension! There is no power in your world or around your world, which can oppose it, but yourself. Whatever step is gained in your call to the I AM Presence, every particle of freedom and victory over limitation, is permanently sustained! You cannot go back in whatever is achieved in your call to the Presence. That is vastly different from anything else ever thought of by mankind!

Mankind in the previous metaphysical understanding could forge ahead for a while, and then something would trip them up, and down they went, and back they went! Not so in this understanding of the Mighty I AM Presence! Everything you gain in your call to your Mighty I AM Presence, becomes an eternal thing in your life and your lifestream, and it is natural! Therefore, you cannot go back! You must hold permanently to whatever is attained! (p. 104 - 105)

My dear people, would you consider, for a moment, what you could do, by constantly, just twice a day for two or three minutes, calling your Presence to charge your world. Say, "Mighty I AM Presence, charge into my feeling world, the full power of your feeling, so when I issue the decree that all human creation has no power, it charges into my world, instantly, and reaches out with such power, that as far as my own activities are concerned, there is not one thing in human creation, that has power to touch my world or that I can feel it." You would soon have such a momentum going out that everything that touched your world would have to come into harmony with it!

You see, dear ones, the power is yours! The power is in that stream of life that beats your heart, in every one of you, and you must accept it! You must call it forth into action to have its blessing. It won't act to sustain life, unless you do call...

Now, dear ones, life will answer you every time! You can so charge your world, with the power of the Mighty I AM Presence, that its great harmony flows out, and compels obedience wherever it moves. It has to do it! Life is the dominion of Earth, when given attention and the opportunity to exercise that power. All humanity's accumulation and human creation has no power against that God-dominion, or against the individual, once he or she realizes that. But if individuals, not knowing the I AM Presence, keep accepting the power of outer appearances to disturb, limit or deprive them, then they are giving power to the appearance. The appearance, by itself, could not!

Remember what the messenger has said so often, recently, as to why it is so necessary, to keep your attention off discordant, limiting things! WHEN YOUR ATTENTION, YOUR VISION IS FIXED UPON SOME DISCORDANT OR LIMITING THING IN THE OUTER WORLD, YOUR LIFE, THROUGH YOUR ATTENTION, FEEDING INTO THAT, BRINGS IT RIGHT BACK INTO YOUR WORLD FOR ACTION! Then, don't you see how, unless you withdraw your attention from limiting discordant things and discordant people, you will bring back the very things into your world, which your attention accepts! That is why the old statement so long given is so true and powerful, "WHERE YOUR ATTENTION RESTS, THERE YOU ARE, AND WHAT YOUR ATTENTION IS UPON, YOU BECOME." There never was a truer saying in the wide world, because the very force of life compels it. If you want to give your attention to things, you must expect to handle them, because you invite them to come into your world and act!

You see, dear ones, there is no use fooling yourselves—may I use your expression, kidding

yourselves, that such and such is not true, just because you do not want to believe it, or you do not want it to be true in your world, because the Law acts unerringly! IF YOU FEED YOUR LIFE INTO SOMETHING LIMITING OR DISTURBING, YOU MUST EXPECT TO HAVE IT ACT! Since the messenger understood that, the moment something out here is the slightest bit discordant or limiting, he says, "Hold on! Don't you accept that into my world here! Mighty I AM Presence see that it is cut off." Then, it does not feed back through the attention.

You can govern all such things and can look upon a thing without accepting it, but you have to be CONSCIOUSLY AWARE OF IT.

That is why mankind has believed God would act for them independently! Well, God does not do it! You are given free will and YOU DECREE HOW THE CURRENTS OF ENERGY AND YOUR LIFE ARE GOING TO ACT IN YOUR WORLD! Unless you understand that and control it, you won't have your freedom!

Now, beloved ones, just one more word before I go. I know the conditions which exist in your world today, and the mass pressure of mankind which affects a great many people, but you do not have to let it in! You, in the knowledge of your Mighty I AM Presence, do not have to be deprived of the money you require to use! Your I AM Presence is the treasure house for you and your world, and when you call to your Presence—and you will hear this repeated a number of times in this class—when you call to your Mighty I AM Presence for your money supply, remember that your I AM Presence is your treasure house! Now that is not imagination! Your I AM Presence is your treasure house, just as tangible as if it held a chest of gold visible in your hands before you! (p. 107 – 113)

Think of your power of qualification in the words that you use by the hour, and be very careful, beloved ones, that you do not joke with the Law! It might choose to joke with you! It is not quite safe! You see, you are responsible for every vibratory action, which you send forth into your world of action. You do not quite understand that, but you cannot speak a word, you cannot feel a feeling, that you do not send forth a vibratory action into your world of action. If you understood and would send forth the Ascended Masters' words of power, which are in those books, in your mighty "I AM" decrees and stand by them, soon you would see the outpicturing of the perfection of their qualities, which is in their words!

Oh, please won't you remember to not even say, "I can't, I am broke I am a failure." Oh, please do not ever say those words again! You are being false to life when you use those terms! I am very serious just now, beloved ones. You are untrue to life when you let your lips or your feelings utter those words, "I am sick, I am unhappy, I am broke, I am helpless, I am the victim of circumstances." Oh, my dear people, what makes a discordant circumstance? Your denial of the I AM Powers of Life!

Beloved ones, I plead with you, be careful of your words and the vibratory action, which goes out from your feeling world. When you see or realize that your feeling is the powerhouse for you and your worlds, if you charge that feeling with discord and limitation, how can you hope to have harmony, happiness and the victory of life?

Since this service has been rendered, tonight, I am prompting you on these things, and won't you be kind enough please, to stand guard and be alert to your words and feelings? Oh, if you would only do it for thirty days, you would see the reason why I plead with you, thus you would allow us to give you the assistance which life wants you to have. Then, you would come into sufficient mastery so quickly, that you would not require our assistance, but today you do require it, very much!

I do so deeply appreciate your love and kindness in this audience tonight, that has made it possible for me to render this service, which you cannot quite even imagine tonight! I ask every one of you, in the days to come, to watch your feeling and watch your conditions, and see if you will not come back to me, within six months, and tell me of my victory acting in you. (Applause)

So, tonight, carry with you, my beloved ones, my victory! WEAR MY GARMENT OF CRYSTAL ARMOR, SO YOU MAY WALK IN THE WORLD, BUT NOT BE OF IT. THEN YOU WILL BE UNTOUCHED BY ITS

HUMAN DISCORD! THEN IN THAT HARMONY OF LIFE, YOU MAY CALL FORTH THE PERFECTION OF LIFE, WITH SUCH SPEED AND POWER, THAT NO ONE WILL QUESTION THE MIGHTY I AM PRESENCE AND POWER OF LIFE, IN ITS VICTORY OVER HUMAN CONDITIONS! I thank you. (p. 183 – 188)

Beloved Maha Chohan January 18, 1959

Friends of my Heart:

You each have the power to create your tomorrow today! Students in the east are taught concentration before they are given any exercises in precipitation. To “concentrate,” as you know, is to “draw to a common center or focus, to combine, to intensify.”

The chela, under the direction of Vista and Crystal particularly, learning the power of concentration begins to visualize a form, picturing it clearly in his mind, and clothing it in ever-present electronic light substance. Now, if this visualization is repeated constantly, in rhythmic periods, the vortex or form is held fresh and clear, filled with electronic light substance, which brings manifestation quickly. This rhythmic attention to its creation will prevent disintegration. In the West the chela can rarely hold a thoughtform filling it with feeling long enough in undisturbed quiet to have manifestation occur.

After a night of sleep the consciousness is, for the most part, free of the workings of the material life, and the inner bodies have not yet been stirred into the vibrations which form the pattern of the day, so it is therefore logical that this is the best time for the chela to use his concentrated powers for precipitation of health, of peace, of companionship, of home, or of the current medium of exchange to meet his requirements. As you have been told, the nature of the universal light substance is to obey the creator and to become form.

In exercising your concentrated powers for precipitation, protect your intended precipitation by a call to the Ascended Masters to enfold it in their love, to feed it with their light and to protect it from disintegration until enough of your God-energy has rhythmically gone into it to bring it into manifestation in your life and world. As you concentrate, drawing the light about your form in peaceful intensity and turning it over to the care of the Ascended Ones, who, answering your call, will draw their mantle of protection about it, you can proceed through the activity of your daily outer life with the conviction that the members of your “inner household” are about their father’s business, and tomorrow’s sun will show the result of today’s concentrated endeavors. Love and blessings, Maha Chohan (*Bulletin 2*, p. 238 – 239)

VISUALIZATON/DECREE SEQUENCE: *Daily Work Sheet - HARMONY IS A MAGNET - May 1952*

"Acquaint now thyself with Him, and be at peace: thereby good shall come unto you." -- Job 22:21

Visualize your individual consciousness held up to receive the God-ideas and direction from the mind and heart of the Creator, pictured in your consciousness as a sun, every member of the human race connected with that sun – through a directed and individual ray of light anchored within the personal consciousness.

See, over this ray of light, God-impressions riding freely into the creative world of the personal self.

See the receptive consciousness accepting the ideas, moulding them into form – through the concentrated power of the mental body, breathing life into them – through the life of the consciously-energized feeling nature, and precipitating the ideas into the world of form. All accomplished through the beautiful harmony of cosmic vibrations, which is the natural emanation of creative endeavors, when manifested in perfect accord with God-will.

From this consciousness, say:

Through the harmony of my true being, I perceive and externalize, every minute, PERFECT HEALTH, in every cell and organ of my bodies.

Through the harmony of my true being, I receive and externalize, every minute, GOD SUPPLY in limitless abundance, filling my every need.

Through the harmony of my true being, I create and externalize, every minute, AN AURA OF PERFECT PEACE AND HARMONY, which acts as a natural conductor of God-will to all life, wherever I AM.

Through the harmony of my true being, I perceive and externalize, every minute, THE WILL OF THE FATHER in understanding, illumination, and freedom. (BTFJ: 1:15 – HARMONY IS A MAGNET)

All of the above decrees/exercises are from the original Bridge to Freedom/AMTF teachings. They take less than 10 minutes to perform. These are offered only as suggestions. They are not a requirement. We are all on different Rays, and we must decide, individually, what is right for each of us.
