

# The Guru and the Chela

## FOREWORD

*The Guru and the Chela* depicts in detail the relationship between an Ascended Master and his Chela (a student totally committed to the cause of a Master). It presents a most comprehensive treatment, giving simple, precise answers.

The text covers the gaining of the fully-gathered momentum of a Master, and how the Chela can be of maximum service in implementing the Master's plan.

The material for this booklet was compiled from dictations of the Ascended Masters Kuthumi, Lord Maitreya and El Morya. It was channelled by the authorized messenger of the Bridge to Freedom, Geraldine Innocente.
